

ANDLINGER CENTER

FOR ENERGY AND THE ENVIRONMENT

Lewis Fund for Innovation in Energy and the Environment Internship Funding Application Summer 2012

Please complete and submit this form and attach a proposal of no more than two pages that describes your project, clearly identifies its applicability to the ACEE mission of providing technical solutions to ensure our environmental future, and provides a detailed budget for research related expenses (up to \$4,000) if requested. Please send these items electronically to acee@princeton.edu by April 2, 2012.

Name & Class Year:	Department:
Campus Mailing Address:	E-mail (@princeton.edu):
Abstract of project (50 words or fewer):	
Name of faculty adviser and his/her department:	Amount requested for lab materials/supplies (\$4,000 limit):
Student signature:	Date:

Endorsement by your adviser below indicates that he/she has reviewed your proposal and agrees that your project is feasible, that you have the preparation to carry it out, and that the items for which funding is requested are essential to its successful completion.

Signature of adviser:	Date:
Adviser's comments (if you will assign supervisory responsibility to a member of your research group, please include his/her name and title):
